

Allergen & Dietary Awareness Guide

This chart identifies the presence of the top nine food allergens, along with indicators for vegan, vegetarian, and pork-containing items for SDSU Dining venues. It's designed to help individuals quickly assess whether a food item aligns with their dietary restrictions or preferences.

LOCATION:

BABA'S

Third-party owned-and-operated unit

This information is as of the SDSU Fall 2025 Semester. Dietary information is reviewed and updated each summer in advance of the fall semester.

| BABAS PIZZA COMMON ALLERGENS | soy | GLUTEN | FISH | SHELLFISH | TREE NUT | PEANUT | SESAME | MILK | EGG | VEGAN | VEGETARIAN | GLUTEN-FRIENDLY | DAIRY-FRIENDLY | CONTAINS PORK |

SDSU DINING NUTRITIONAL DISCLAIMER

At SDSU Dining, our team is committed to clearly identifying our menu items with respect to:

- their nutritional information
- relevant dietary considerations such as whether the items are gluten-friendly, vegan, vegetarian, etc.
- · their ingredients which may cause allergic reactions

Our team undergoes regular training to ensure accurate labeling and proper food preparation methods aimed at minimizing cross-contact risks. Even with us employing such labelling and food preparation methods, however, some degree of cross-contact is unavoidable. Please note that our dining centers are not certified allergy-free or gluten-free, as some items served may contain allergens.

Menu items from our third-party dining partners may have different allergen management practices. SDSU Dining does not design the menus of any of our third-party dining partners and shares them with guests for informational purposes only. Consequently, Aztec Shops, Ltd. and SDSU Dining accept no liability for menu items from our third-party dining partners, cannot independently validate any nutritional information provided by our third-party dining partners, and cannot guarantee that any menu items prepared by our third-party dining partners are free from allergens or safe from cross-contact. Guests should contact each third-party venue directly with any relevant nutritional and allergen-related questions.

For additional questions about building a personal meal program focused on specific dietary needs and preferences, we strongly recommend scheduling a meeting with our registered dietitian, Amanda Nazario (aashbynazario@sdsu.edu) using this LINK.
